REPORT OF LIBRARY.

We respectfully submit our annual report to the citizens of the town, of the Barnstead Free Public Library for the year ending February 15, 1913.

The library contains 2,581 books not including public documents.

Sixty-three volumes have been added during the year. Fifty-eight by purchase and five given.

John George donated three and Mrs. E. W. Whitney two. We believe in the power of books to affect the soul and for this reason much care has been exercised, in buying, to procure good books which would please the public, at a reasonable cost.

The library will be open to the public for the delivery of books on Saturday afternoons, (except holidays) from two to five o'clock.

REPORT OF SCHOOL BOARD.

TO THE CITIZENS OF BARNSTEAD SCHOOL DISTRICT:

We hereby submit the following annual report.

Schools were maintained thirty-two weeks at the Center, Parade, South Barnstead, North Barnstead, Beauty Hill, White Oaks and Berry.

During the spring term a school was kept in the Bickford district, so called. The following terms the children attended school at South Barnstead.

The Pitman and Shackford's Corner schools were united. The spring term was at Shackford's Corner. The remainder of the year the school was at the Pitman school-house.

Although we cannot say, as we wish we could, that the schools have been all that we could desire, we feel justified in saying that very satisfactory progress has been made in the several schools. The idea of fitting our boys and girls for practical life should permeate our whole educational system.

We would, therefore, most earnestly and seriously urge that individually and conjointly you lose no opportunity of giving to the school children,—your boy and your girl,—that to which they have an undeniable right: a thorough and practical preparation for their work in the world.

Below we submit a report of the financial condition of the district.

CHARLES F. JENKINS, 2d,
ENOS GEORGE,
GEORGE F. HALL,
